JAMES RIVER HIGH SCHOOL
Buchanan, Virginia

Foreword

For eleven years our Senior Class has been looking forward to this time.

With an air of anticipation, they took their place as new students of James River High. As strangers to the whole atmosphere, they had to gradually grow stable academically, socially, and emotionally.

There have been good times and bad times for this class, leaving them with many memories - memories of sharing their work and play, memories of insignificant events which they hold so dear, memories of serious moments, and memories of obtaining their store of knowledge.

Now as time closes the door and unlocks higher doors for them, our Senior Class will soon leave James River High with saddened hearts and fond memories, which we hope they will treasure through this, the 1962 edition of the KANAWHAN.

Our sincerest thanks to all who made this book possible, most of all to our sponsors, teachers, fellow-students, and merchants.

Kenneth Brown, Business Manager
Judy Scott, Assistant Editor

Editor's Note

More than a red brick building, more than a textbook, more than a newspaper article, our school is a spirit. Our memories will be of the things we can neither see, nor touch, nor say - the intangibles of James River High School. This is what we have tried to suggest in the 1962 KANAWHAN.

You will read between the lines as you look through your annual. You will see more in the pictures than we could photograph; you will remember more than the words printed on the pages; you will find your image in the drawings.

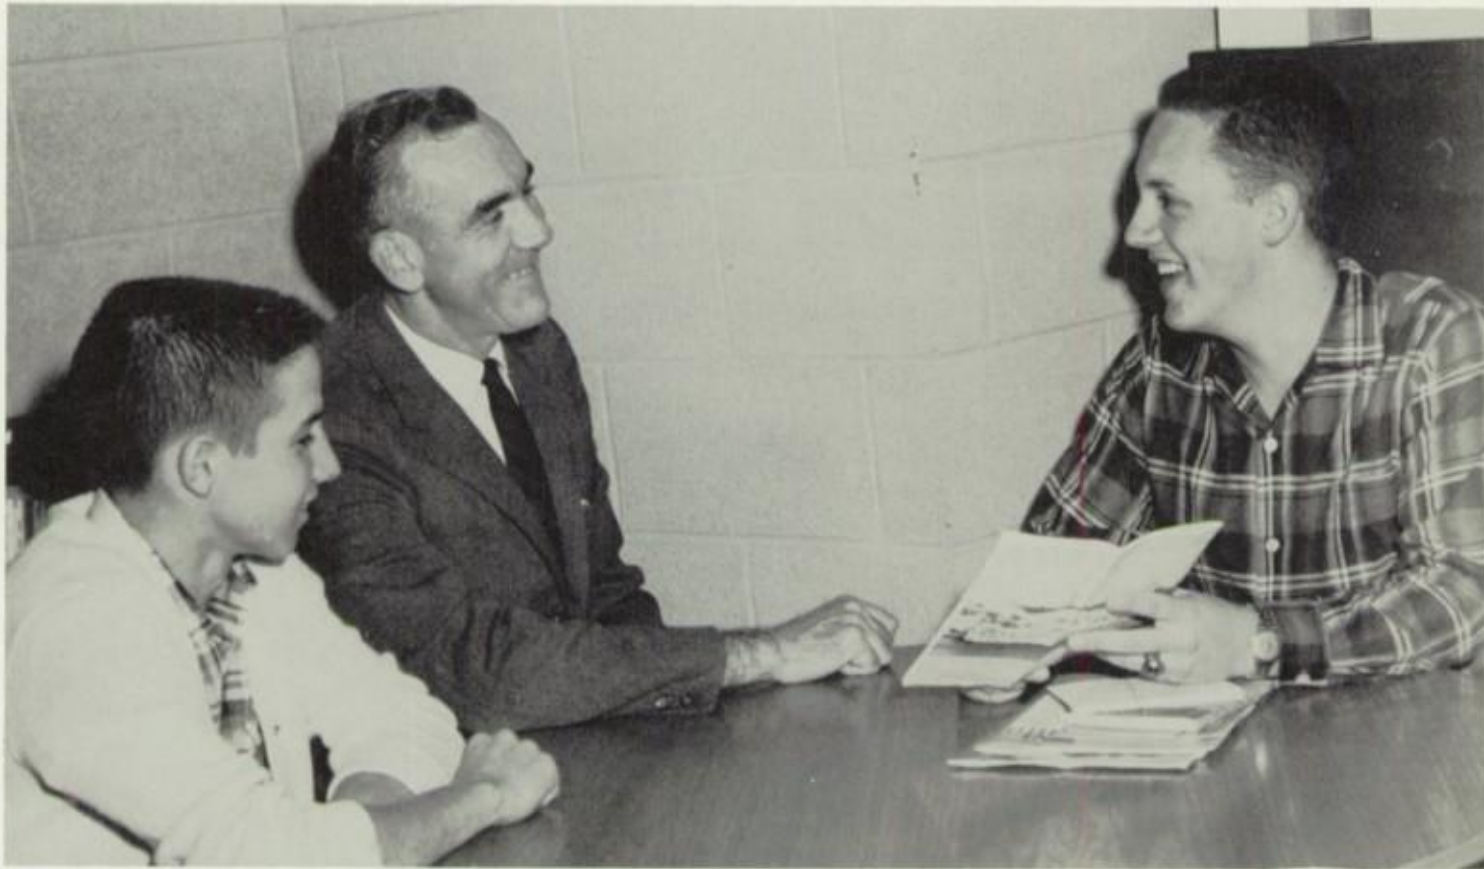

We have tried to recall emotions along with events, feelings along with facts. We want to set before you the things we cannot chronicle and the abstract school life that we can never define. This, we think, is James River High School.

Rebecca Booze
Editor

Dedicated to

Mr. Charles A. Sprinkle, a man whose life is lived not for himself, but for a greater purpose, the education of the students of James River High School. We pay tribute to his sincere interest, willingness to help, and wisdom in finding a satisfactory solution to our most minute problems . . .

His aim has been to create, develop, and provide the most outstanding school possible. Through his knowledge, reliance, and valuable contributions, he has directed the progress of James River High School . . .

To you, Mr. Sprinkle, we dedicate the 1962
KANAWHAN.

 I'll I guess after 12
 glorious years of studying,
 cramming and few my final
 award "draws high" - makes me
 feel so ancient to admit that I'm (almost)
 not a high-schooler anymore - Oh well, the
 old must make way for the new, I guess -
 my experience on your staff has well been re-used -
 I think I must have had my excellent training - don't you? - now
 I want you to think a little bit about me around forensics
 don't be modest! I'll let you know - I appreciate all
 a little in my place at

BABER TOP HOMEMAKER

Maureen Elizabeth Baber is winner in our school in 762 Betty Crocker Search for the American Homemaker Tomorrow. She achieved the highest score in the December 5. She becomes eligible now along with others in other high schools, for the title of State Homemaker of Tomorrow.

The girl named State Homemaker of Tomorrow is provided a \$1,500 scholarship by General Mills, sponsor of the state contest. The state contest will give a

JR. PLAY SUCCESSFUL

"Life With Mama" presented by the school on January 22 and 23 at James River. The play, consisting of twelve scenes, was directed by Miss Bowman. Mr. B.J. was the stage crew director.

The entire action of the play took place in the living room of the Smith family in Fairfield, U.S.A. The production offered a variety of situations - a fight, dish breaking, a heart attack, the changing of the guard, a mass on stage, and a

S ATTEND CLINIC

Basketball team of James River attended clinic in Raleigh, North Carolina, on the Carolina State College, Saturday, Dec-

Coach Shotwell furnished transportation, financed by the school's athletic fund. The team arrived home at 3:00 A.M. Sunday. On campus, the boys attended a two hour basketball game, ate dinner at the college cafeteria, saw the basketball team play, and climaxed the day by attending an Alumni game.

Following team members made the trip: Frank Dudley, Coy King, Larry Falls, David Morrow, John Hill, and Mac Rafferty.

The ROUNDTABLE, which has been in existence since the fall of 1959, is published every six weeks with the chief purpose of serving and being accepted by the student body. In each issue of James River's only newspaper, a good variety of editorials and feature articles are printed along with the school's activities, including a complete coverage of all sports.

The ROUNDTABLE is a member and first place award winner of the Southern Interscholastic Press Association. The majority of its staff members are members in good standing of the International Honorary Society for High School Journalists, Quill and Scroll.

WHAT ARE THE PURPOSES OF FTA CLUBS

- To interest good students in becoming teachers.
- To explore the teaching field, including the opportunities and the many areas of the teaching profession.
- To develop the beginnings of professional attitudes.
- To set up a program for guidance in preprofessional service and development.
- To provide an opportunity to work with children so that members may realize potential satisfaction in teaching.
- To cultivate qualities of leadership, character, and scholarship among students.
- To study the lives of good teachers.
- To bring to pupils greater understanding of the value of education in American society.
- To render service to the school and the community.

"JAMES RIVER HIGH SCHOOL" SCIENCE CLUB

CONSTITUTION

- PREAMBLE: We, the members of the JAMES RIVER HIGH SCHOOL SCIENCE CLUB, in order to progress in the understanding of the physical and biological forces and factors governing our existence; to apply the organized scientific principles, laws, and theories that have been set before us; to build and sustain an organized approach to problems solved and unsolved that may confront us, keeping in mind our mortal limitations, do hereby establish the following articles of this Constitution of the James River High School Science Club as the basis of our undertakings.
- ARTICLE 1 - To familiarize ourselves with the scientific equipment available with due respect to its usage and storage.
- ARTICLE 2 - To approach all problems in a scientific manner, using the scientific method of approach, and to build our knowledge of Science step by step on the principles, theories, and laws that have been presented to us; to exercise deductive reasoning as well as rote memory.
- ARTICLE 3 - To apply our knowledge of Science by indulging in research problems involving experimentation, keeping accurate records on our proceedings.
- ARTICLE 4 - To accept the responsibilities that are ours with due respect to authority; to practice self-reliance by restricting consultation and to use this approach only when all resources have been exhausted.
- ARTICLE 5 - To keep informed of new developments in the field of Science by indulging in outside reading and participation in group discussion concerning these new developments.
- ARTICLE 6 - To strive for academic excellence not only in the field of Science but in all subjects composing the arts and sciences; to build a healthy mental attitude toward exploratory learning, strengthening the academic standing of ourselves, our school, and our country.

WORDS FROM THE WISE:

"I do not know what I may appear to the world; but to myself I seem to have been only like a boy, playing on the seashore, and diverting myself, in now and then finding a smoother pebble or a prettier shell than ordinary, while the great ocean of truth lay all undiscovered before me."

(Isaac Newton, 1642 - 1727)

"No amount of experimentation can ever prove me right; a single experiment may at any time prove me wrong."

My dear Mrs. Francis,

It has been a real pleasure assisting you the past five years. I realize that I could have been more helpful in many ways, but I tried (most of the time)!!!!

I'm glad that you & your sweet husband usually came to our occasions, like the prom,

It makes us feel like someone else is interested.

I hope to see you many times in the years to come.

Thank Goodness, We're
Through With the Annual!

Love,
Bucky

Mrs. Francis,

Another year passed -- pretty soon we'll ~~be~~ be old women!!!! (Give us a hundred more years, and we'll make it!!)

- Have really enjoyed the half year in the library - the other half in study hall. Thanks....

Seriously, I owe so much to you for the education of the library. The experience has been both educational and fun. It shall prove invaluable in college, when I make my extra money there at the library -- I hope!!

Thanks for a wonderful 6 sems.

Love,
Judy Scott

My best wishes are for you.
Have fun, and try not to work so hard.

always,

Donna L. Shupe

Mrs. Francis!

Best luck to you through all the years as a librarian. See you next year.

Mrs. Francis,
Best of luck
in the coming years.
I hope you're in
the library next year.
